JAYDAREAL'S NEW MUSIC ALBUM

The new music Album of JaydaReal- 'Born Real' was released on March 8th, 2019

Manhattan, New York– The talk of the town hip-hop musician is all happy to entertain the spell of his tremendous music once again on his fans. JayDaReal announced that the release of his new music album on March 8th, 2019 was one of his favorites. The music is set to stream on all the reputed platforms like Spotify, Soundcloud, iTunes, and Amazon for the fans to easily. The young artist showed much enthusiasm and added that his new album - 'Born real' is surely going to get off the charts in coming months too.

The new album of JayDaReal – 'Born Real' entailed ten music tracks. Each of the tracks are roughly 3:00 to 4:00 minutes that are promised to take the fans down the memory lane. Surprisingly, JayDaReal has even collaborated with other renowned young artists to provide variety to his fans. JayDaReal was featured with five other artists to bring you a new touch on 5 different songs. This was done to ensure that each of his fans gets to hear the type of music they prefer.

The young artist JayDaReal became famous on the release of his very first debut with the track 'Brand New'. The artist was hooked with the passion of music since, the age of 16. He grew up taking inspiration from listening to country and rock music. However, soon he realized his unwavering interest in the hip-hop genre.

Versatility is the best word to describe JayDaReal. The artist is bestowed with the talent to launch a perfect soundtrack that certainly touches the strings of the hearts of millions of fans. The sun-kissed, blissed-out chords shimmering like a mirage when combines with the mesmerizing vocals of the immensely talented JayDaReal indeed, becomes the best combo.
