

Yoga Set

This gym gear is a must-have in your fitness closet.

An all-in-one set lends a soft and smooth feel for a comfortable but intense workout, further aided by moisture-wicking fabric to keep you feeling great as you sweat. The high-rise leggings help the natural curve and movement of the body while running, light jogs, sweaty runs, and

working out. The wide strap sports bra is designed to ensure a streamlined fit, whether at a yoga class or just lounging around.

If you want to discover the complete joy of staying active, this set is there to make it easy and happy to embrace a bustling lifestyle. The set is designed to give you an incredible fit and great feel.

Why our customers love our Women Yoga Set Workout Sportswear / Workout Motivation

- Moisture Wicking – made with soft fabric that wicks away moisture for your focused workout.
- Medium Impact - Ideal fit for moderate-intensity exercises.
- Lightweight Fabric- perfectly soft and stretchable Fabric.
